

Prologue

(West Africa, Jack and his manager Menda)

Jack: "We have a week to save the children of cocoa slaving"

Menda: "We have to go undercover. We will never make it out if we aren't careful"

(Jack and Menda are starting to enter the cocoa forest)

(In the cocoa forest, where Belocia and his fellow co-workers are working on cutting cocoa)

Chorus: Sold by family
Felt loved by none
This kind of life is no fun
Working hard all day
Without pay
Save the children in Africa today

Belocia: "Did you hear that? Everybody get to work incase its Stacio"

Jack: "Greetings my friends. What could such young men be doing out here alone?"

Belocia "Walk on sir. Have a nice day"

Jack: "Well why so pushy? My name is Jack Hurender. And yours?"

Belocia: "Belocia"

Jack: "Hello Belocia. What are you doing here, in the trees?"

Belocia: "Cutting Cocoa, what are you doing? You shouldn't be here."

Jack: "Why is that? I am trying to help the lost slaves in the cocoa industry. Does that include... include you and your friends?"

Belocia: "SHHHH. If our master Stasio comes he will whip you until the death of you. Leave now please. For the sake of all of us"

Chorus:

Living in fear

Drowning in tears

The children need help

Its A good thing you're here

(Jack is refusing to leave, but they start to hear someone coming)

Belocia: "You have to leave for your own good."

Stasio: "WHO ARE YOU? WHAT DO YOU WANT?"

Jack: "Salutations. I'm Jack and this is Menda. Are you Stasio, the master I've been hearing about?"

Stasio: "You need to leave now."

Jack: "I'm here to save the children from this awful slaving that's going on."

(Jack see's a crowbar coming for his head... He blacks out)

Menda runs away to try to find help but gets lost and later dies of starvation.

Later Jack wakes up captured in a small cell where he has no other choice but to stay there.
